**SUB: Extension in Last Date Submission of GST TRANS-1 Form.**

Dear Sir,

With reference to the last date of submission of GST TRANS 1 Form, this is to inform you that it is not at all possible to collect the pending C forms from the traders in such a short period and the main reason behind this is the state governments itself as they are not issuing the C forms in time to the dealers. You are well aware of the fact that collection of C forms is tougher than collecting payments from the dealers.

We just want to request you to kindly extend the date of submission of the TRANS 1 form minimum up to 31st March so that the manufacturer can avail the full benefit of pending VAT refund, otherwise they will never get the refund if again they have to depend on the State Govt. for this.

We are sure that Government will look into this plight of the Industry seriously. All traders and manufacturers are seeking a helping hand from the union government so that they can survive during this tough stage of Business.

Regards

For Jalandhar Chamber of Industries & Commerce (Regd)
