To Shri Sunder Sham Arora,  
Hon'ble Minister of Industries & Commerce,  
Punjab Government,  
Chandigarh,

**Sub: Problems being faced by industry due to withdrawal of powers of GMs, DIC to transfers of plots at focal point and industrial estates.**

Respected sir,

I would like to bring in your kind attention that since January 2018 powers were withdrawn from the respective Gms to transfer the ownership of plots at focal point and industrial estates. It was done merely to hand over this job to PSIEC. But we are sorry to say that till date neither yourself has deputed any estate officer to take over nor you are allowing Gms to do this job. The innocent industrialists are suffering a lot. Hence yourself are requested to allocate powers to transferring of plots to the respective GMs.

#### **MSME FACILITATION COUNCIL**

Respected sir, msme facilitation council is setup to help the recovery of bad debts of msme. But since long there is no meeting of facilitation council and hundreds of crores of rupees of msme are lying dead with the traders having bad intentions.

You are requested to please instruct the facilitation council to become actively functional, so that the msme could get justices.

#### **Appointments of GMs as mining officers.**

Sir, your government has given a very attractive policy for industry. Now there is huge scope for the development of the new industry. And the GM industry is an only connector between invest Punjab and industry. But they are busy to check the illegal mining till midnight. Our humble request to yourself is that relieve the GMs from mining business and let them help to develop new industry.

Thanks

With Regards  
For Jalandhar Chamber of industries and commerce (Regd.)
